

## Annie's Early Learning Center Sunscreen/Bug Repellent Permission Form 2017

With warmer weather and sunny days, it is important that each child have sunblock for our outdoor activities. We will apply sunscreen before outdoor play in the morning and again in the afternoon. If your child needs bug repellent as well, we ask that you please provide the combination sunscreen/bug repellent (Bullfrog carries this product). We also recommend spray sunscreen. We would like to avoid the foam and lotion types of sunscreen if possible. All children will participate in outdoor activities whether they have sunscreen or not.

Sunscreen may need to be replenished during the spring and summer months. Your child's teacher will let you know when we need a replacement.

Please fill out the form below and return it to your child's classroom with the sunscreen labeled with your child's name. **We cannot apply sunscreen without this permission form.** Please send separate bottles for each child you may have.

---

I give permission for Annie's ELC to apply sunscreen and/or bug repellent to my child \_\_\_\_\_.

(Child's Name)

I understand that this sunscreen will be applied up to 2 times per day and may need to be replenished during the summer.

Type of sunscreen: \_\_\_\_\_
